Re: Proceeding No. 15-149

Dear Mr. Wheeler,

We are writing in support of the proposed merger between Charter Communications, Time Warner Cable and Bright House Networks. The importance of fast, reliable broadband connections for homeowners, students and business customers continues to increase, and we are in favor of New Charter's commitment to expansion of its network to more homes and businesses, to creating more out-of-home access to Wi-Fi, and to broadband for low-income customers. We feel this merger could benefit Courtland Township by making broadband service more available and more affordable to our residents.

Sincerely,
